NO EXIT

BY JEAN PAUL SATRE

Directed by Casey Ring

Garcin.....DeVonte McClam

Estelle.....Alyse Boudreau

Inez.....Natalie Suarez

Director's Note

We encounter three individuals who know they are dead. However, why are they here, why together, and what purpose this empty room serves is a complete mystery. As the play continues, we learn that they are deeply flawed like the rest of the world. Yet, are they being punished, or could they find peace? Satre's famous line, "Hell is other people." is questioned in this scene. Do we torment each other, or are we responsible for tormenting ourselves?

LEVELING UP

BY DEBORAH ZOE LAUFER

Directed by Hans Bloedel

Ian.....Chandler Rosengren

Zander.....Joaquin Warren

Chuck.....Landon Hudson

Jeanie.....Klara Lybeck

Director's Note

Four twenty-somethings play video games in the basement of their Las Vegas rental home. One day, Ian gets recruited by The NSA for his gaming skills to fly drones. What was just a game becomes very real as the lines between virtual and reality become blurred as one.
